HI-TEMP

MULTI PURPOSE

Long lasting high temperature lubrication

PRODUCT DESCRIPTION

Toyo Grease Multi Purpose HI-TEMP Grease is specially developed for heavy duty lubrication, high temperature and corrosion protection. Provide superior thermal stability that won't melt, freeze or run.

FEATURES & BENEFITS

- Excellent Corrosion Protection.
- Excellent for lubrication on difficult to reach areas.
- Super Thermal Stability.
- Excellent Water Resistance with Water Proof Performance.
- Super Extreme Pressure (EP) Performance.
- Proven to Last much Longer than Conventional Spray Grease.
- Suitable for lubrication over a wide range of temperature from -200 to 5000
- Assist Seals.

PRODUCT APPLICATION

Gear, door hinges, sprockets, pulleys, guide rails and more. Ideal for metal to metal application.

DIRECTION FOR USE

Shake can well before use. Hold the aerosol can a short distance away and spray directly onto the parts to be lubricated. Use it as a regular maintenance aid.

WIRE ROPE

WATER RESISTANCE

Wire rope protect & maximize wire rope lifespan

PRODUCT DESCRIPTION

TOYO GREASE Wire Rope spray is a high performance de-watering wire rope aerosol, designed for wire rope lubrication & corrosion protection of most types of wire ropes, particularly in wet and hostile conditions.

FEATURES & BENEFITS

- Effectively penetrates to wire rope core, chains, cable to provide optimum protection.
- Excellent corrosion and anti-wear protection of inner strands.
- Special protective coating that prevents 'throw-off, peeling and scaling.
- Excellent Water Resistance.
- Superb Extreme Pressure (EP) Performance.
- Extend wire rope service life.

PRODUCT APPLICATION

Ideal for use on wire rope operating in arduous environmental conditions on equipment such as hoists, drag lines, cranes and ships.

DIRECTION FOR USE

Shake can well before use. Hold the aerosol can a short distance away and spray directly onto the parts to be lubricated. Use it as a regular maintenance aid.

DR.RUST

RUST LOOSENING PENETRATING OIL

Multi purpose anti rust lubrication

PRODUCT DESCRIPTION

Multi-purpose rust loosening oil, provides superior lubricates, penetrates and cleaning function. Protect metal from rust & corrosion.

FEATURES & BENEFITS

- Excellent Penetrating Effect to clean, loosen and Lubricate metal parts.
- Excellent Rust Protection & prevents re-rusting.
- Loosens Rust-to-metal Bonds and frees stuck rusted metal parts.
- Excellent Water Resistance with Water Proof Performance.
- Excellent Extreme Pressure (EP) Performance.

PRODUCT APPLICATION

Bolts & Nuts, door hinges, locks, guide rails, pulley, hardware hand tools and more

CHAIN LUBE

SYNTHETIC HIGH LOAD

Anti-fling off chain lubrication

PRODUCT DESCRIPTION

Extremely high-pressure resistant and incredibly adhesive chain lube. Excellent waterproof performance and thermal stability. Suitable for use for all season.

FEATURES & BENEFITS

- Excellent Penetrating Effect.
- Excellent Rust and Corrosion Protection.
- Good Adhesiveness and High Film Strength to Prevent Fling-Off.
- Resistance to Shocks, impacts and Water Washout
- Reduces Wear, Friction and Heat.
- Excellent Protection for Longer Lasting Life.

PRODUCT APPLICATION

Specially designed for motorbike chains of motorbikes used on the road and particularly in races as well. It can also be used on heavy industrial machinery chain.

DIRECTION FOR USE

Shake can well before use. Hold the aerosol can a short distance away and spray directly onto the parts to be lubricated. Use it as a regular maintenance aid.
